

Student Information – Skills4trade - Carpentry - Mudgee

In a partnership with Skillset, TAFE Western will conduct the training and assessment for the Skills4Trade program and will issue a statement of attainment for units of competency successfully completed.

This program will provide an introduction to working in the construction trade (nationally recognised training) for participants who are 15-24 years and have left school. Using an RU Ready assessment, participants will develop their language, literacy and numeracy skills and gain work experience with a pathway and training credit towards a building and construction traineeship or apprenticeship.

Work Preparation and Work placement:

In addition to the construction dates, participants will be provided with 2.5 days of work preparation training and up to five days negotiated work placement.

Construction:	6, 7, 8, 13, 14, 15, 20, 21, 22, 27, 28, 29 November
Work Preparation:	2.5 days TBC
Time:	8:30 am to 4:00pm
Training Venue:	Mudgee College, Ulan Road, Mudgee
Bring:	Pen, notebook, lunch (canteen facilities available)
Wear:	Cotton drill long sleeve shirt, long trousers and leather boots
Key Contacts:	Construction: Mark Penman 6883 3400 mark.penman3@tafensw.edu.au

Unit of Competency	Construction / Carpentry trade
CPCCCA2002B	
Use Carpentry Tools and Equipment	This unit specifies the outcomes required to safely select and use carpentry tools and equipment. It includes hand tools, power tools, pneumatic tools, plant and equipment
CPCCCA2011A	
Handle Carpentry Materials	This unit specifies the outcomes required to safely manually handle, store and apply environmental management principles associated with carpentry materials and components. It includes preparing material for mechanical handling
CPCCCM1012A	
Work Effectively & Sustainably in the Construction Industry	This unit specifies the outcomes required to prepare for and sustain effective work within the construction industry. It covers the identification and clarification of the construction industry work context, scope and employment conditions, responsibility required to be accepted by the individual, working in a team, individual career path improvement activities and sustainable work practices and techniques
CPCCCM1013A	
Plan and Organise Work	This unit specifies the outcomes required to plan and organise individual and group work activities on a construction site. The unit includes identifying task requirements, planning steps and organising work
CPCCCM1014A	
Conduct Workplace Communication	This unit specifies the outcomes required to communicate effectively with other workers in a construction workplace environment. It includes gathering, conveying and receiving information through verbal and written forms of communication
CPCCOHS2001A	
Apply OH&S Requirement, Policies & Procedures in the Construction Industry	This unit specifies the outcomes required to carry out OHS requirements through safe work practices at any on or off-site construction workplace. It requires the performance of work in a safe manner through awareness of risks and work requirements, and the planning and performance of safe work practices with concern for personal safety and the safety of others

Unit of Competency	Work Preparation and Work Placement
FSKOCM03	
Participate in simple spoken interactions at work	This unit describes the skills and knowledge required to participate in a limited range of simple spoken interactions in the workplace, such as talking with co-workers, participating in workplace meetings, giving and responding to simple instructions, receiving and passing on simple messages, or talking with clients
AWTCAP105	
Use effective personal presentation skills	The unit applies to people who wish to learn about effective personal grooming, responding appropriately to dress codes and communication requirements, and developing effective strategies for personal presentation in a limited range of settings.
FSKLRG06	
Participate in work placement	This unit describes the skills and knowledge required to plan and participate in work experience.

A detailed training schedule will be provided at the first class.

*This training is subsidised by the NSW Government and eligibility criteria apply.
 Limited places available — courses run dependent on numbers. Additional costs may apply.
 Skillset is recruiting prospective learners on behalf of TAFE Western RTO Provider 90009.
 Some courses are also funded as an AEN MIP project. The Multi Industry School Based and Pre Apprenticeship Support Pilot Project (MIP) is supported by the Australian Government Department of Education and Training.
