

Student Information – Skills4trade - Engineering -Bathurst

In a partnership with Skillset, TAFE Western will conduct the training and assessment for the Skills4Trade program and will issue a statement of attainment for units of competency successfully completed.

This program will provide an introduction to working in the engineering trades (nationally recognised training) for participants who are 15-24 years and have left school. Training will include a non-nationally recognised “try a trade” day covering three additional trades.

Work Preparation and Work Placement

In addition to the dates below, students may be offered 2 - 5 days negotiated work experience placement.

Engineering:	8 days: 31 October, 1, 7, 8, 14, 15, 21, 22 November
Try a Trade:	1 day: TBC
Time:	8:30 am to 4:00pm
Training Venue:	Bathurst College of TAFE, Panorama Avenue Bathurst
Bring:	Pen, notebook, lunch (canteen facilities available)

Key Contacts:	Engineering: Shaun Shirvill 6338 2587 shaun.shirvill2@tafensw.edu.au

Unit of Competency	Engineering trade
MEM14004A	
Plan to undertake a routine task	This unit covers a person planning their own work where tasks involve one or more steps or functions and are carried out routinely on a regular basis. It includes the concepts of following routine instructions, specifications and requirements.
MEM05012C	
Perform routine manual metal arc welding	This unit covers preparing for materials and carrying out routine manual metal arc welding (MMAW).
MEM05050B	
Perform routine gas metal arc welding	This unit covers preparing materials and routine gas metal arc welding (GMAW).
MEM05013C	
Perform manual production welding	This unit covers performing tacking or production welding, including spot welding using a range of methods and metallic and non-metallic materials in a production environment.

Unit of Competency	Work Preparation and Work Placement
FSKLRG06	
Participate in work placement	This unit describes the skills and knowledge required to plan and participate in work experience.

*This training is subsidised by the NSW Government and eligibility criteria apply.
 Limited places available — courses run dependent on numbers. Additional costs may apply.
 Skillset is recruiting prospective learners on behalf of TAFE Western RTO Provider 90009.
 Some courses are also funded as an AEN MIP project. The Multi Industry School Based and Pre Apprenticeship Support Pilot Project (MIP) is supported by the Australian Government Department of Education and Training.
