

Student Information – Skills4trade – Multi Trade* - Orange

In a partnership with Skillset, TAFE Western will conduct the training and assessment for the Skills4Trade program and will issue a statement of attainment for units of competency successfully completed.

This program will provide an introduction to working in metal fabrication and automotive industry (nationally recognised training) for participants who are 15-24 years and have left school. Using an RU Ready assessment, participants will develop their language, literacy and numeracy skills and gain work experience with a pathway and training credit towards an engineering or automotive traineeship or apprenticeship. Training will include non-nationally recognised “try a trade” day covering three additional trades.

Work Preparation and Work placement:

In addition to the engineering, automotive and try-a-trade course dates, participants will be provided with 2 days of work preparation training and up to five days negotiated work placement

Induction:	Thursday 15 February 2018
Engineering:	12 days: 22, 23 February, 1, 2, 8, 9, 15, 16, 22, 23, 29, 30 March
Automotive:	8 days: 21, 22, 28, 29 March, 4, 5, 11, 12 April
Try a Trade:	1 day: TBC
Work Preparation:	2.5 days: TBC
Time:	8:30 am to 4:00pm
Training Venue:	Orange College, 109 March Street
Bring:	Pen, notebook, lunch (canteen facilities available)
Wear:	Cotton drill long sleeve shirt, long trousers and leather boots
Key Contacts:	Engineering: Paul Honeyman 6391 5704 paul.honeyman2@tafensw.edu.au Automotive: John Ewing 6338 2546 john.ewing2@tafensw.edu.au

Unit of Competency	Engineering Trade
MEM03003B	
Perform sheet and plate assembly	The unit covers assembling prefabricated/formed components using a range of joining techniques
MEM05013C	
Perform manual production welding	This unit covers performing tacking or production welding, including spot welding using a range of methods and metallic and non-metallic materials in a production environment
MEM18001C	
Use hand tools	This unit covers using a range of hand tools for a variety of general engineering applications
MEM18002B	
Use power tools/hand held operations	This unit covers using a range of hand held power tools and fixed power tools for hand held operations for a variety of general engineering applications

Unit of Competency	Automotive Trade
AURASA002	
Follow safe working practices in an automotive workplace	This unit describes the performance outcomes required to identify and follow safety and emergency procedures in an automotive workplace. It involves those safety procedures to be followed when using workplace hand tools and hand-held power tools, fixed equipment, and chemicals, and when running vehicles and machinery.
AURTTK002	
Use and maintain tools and equipment in an automotive workplace	This unit describes the performance outcomes required to select, use, maintain and store tools and equipment in an automotive workplace.
AURTTA001	
Remove and tag steering, suspension and braking system components	This unit describes the performance outcomes required to identify, remove and tag a range of steering, suspension and braking system components. It involves preparing for the work, removing and tagging components by title, job number and application, and completing workplace processes and documentation.
AURTTE003	
Remove and tag engine system components	This unit describes the performance outcomes required to identify, remove and tag a range of engine components. It involves preparing for the work, removing and tagging engine components prior to engine dismantling by title, job number and engine application, and completing workplace processes and documentation

Unit of Competency	Work Preparation and Work Placement
FSKOCM03	
Participate in simple spoken interactions at work	This unit describes the skills and knowledge required to participate in a limited range of simple spoken interactions in the workplace, such as talking with co-workers, participating in workplace meetings, giving and responding to simple instructions, receiving and passing on simple messages, or talking with clients
AWTCAP105	
Use effective personal presentation skills	The unit applies to people who wish to learn about effective personal grooming, responding appropriately to dress codes and communication requirements, and developing effective strategies for personal presentation in a limited range of settings.
FSKLRG06	
Participate in work placement	This unit describes the skills and knowledge required to plan and participate in work experience.

A detailed schedule of training will be provided at the first class.
