

Student Information – Construction - Cobar

This program will provide an introduction to working in the construction trade. This is nationally recognised training is appropriate for participants who are 15 – 40 years of age and have left school. Using an RU Ready assessment, participants will develop their language, literacy and numeracy skills. This training provides a pathway and training credit towards a traineeship or apprenticeship in construction.

In a partnership with Skillset, TAFE NSW will conduct the training and assessment for the Skills4Trade program and will issue a statement of attainment for units of competency successfully completed.

Work Preparation and Work Placement:

Participants will be provided work preparation training and up to five days negotiated work placement. This work experience will be offered to students who successfully complete training and demonstrate commitment through a strong attendance.

This course runs full-time from the 21st January to the 15th February (except for weekends and public holidays)

The final timetable, including Graduation date will be provided at Induction.

Construction:	8 days
Work Preparation:	2 days
Time:	8.30 am – 4:30 pm for all days EXCEPT Induction and Graduation
Training Venue:	Cobar College of TAFE, 45 Bathurst Street COBAR
Bring:	Paper, pen and lunch. Canteen facilities available if required.

Unit of Competency	Community Service
CPCCCA2002B	
Use Carpentry Tools and Equipment	This unit specifies the outcomes required to safely select and use carpentry tools and equipment. It includes hand tools, power tools, pneumatic tools, plant and equipment
CPCCCA2011A	
Handle Carpentry Materials	This unit specifies the outcomes required to safely manually handle, store and apply environmental management principles associated with carpentry materials and components. It includes preparing material for mechanical handling
CPCCOHS2001A	
Apply OH&S Requirement, Policies & Procedures in the Construction Industry	This unit specifies the outcomes required to carry out OHS requirements through safe work practices at any on or off-site construction workplace. It requires the performance of work in a safe manner through awareness of risks and work requirements, and the planning and performance of safe work practices with concern for personal safety and the safety of others
CPCCWHS1001	
Prepare to work safely in the construction industry	This unit of competency specifies the mandatory work health and safety training required prior to undertaking construction work. The unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury or harm to self and others. It covers identifying and orally reporting common construction hazards, understanding basic risk control measures, and identifying procedures for responding to potential incidents and emergencies. It also covers correctly selecting and fitting common personal protective equipment (PPE) used for construction work.

Unit of Competency	Foundation Skills: Work Preparation and Work Placement
--------------------	--

*This training is subsidised by the NSW Government and eligibility criteria apply. Limited places available – courses run dependent on numbers. Additional costs may apply. Skillset is recruiting prospective learners on behalf of TAFE NSW RTO Provider 90003. Some courses are also funded as an AEN MIP project. The Multi Industry School Based and Pre-Apprenticeship Support Pilot Project (MIP) is supported by the Australian Government Department of Education and Training.

FSKOCM03	
Participate in simple spoken interactions at work	This unit describes the skills and knowledge required to participate in a limited range of simple spoken interactions in the workplace, such as talking with co-workers, participating in workplace meetings, giving and responding to simple instructions, receiving and passing on simple messages, or talking with clients
FSKWTG02	
Write basic workplace formatted texts	This unit describes the skills and knowledge required to complete basic workplace formatted texts which may be in printed or digital format, such as personnel forms, time sheets, checklists and maintenance logs.
