

## Student Information – Multi-trade - Orange

This 14 week program will provide an introduction to working in the civil construction, construction and engineering trades (nationally recognised training) for participants who are 15-24 years and have left school. The Certificate II in Skills for Work and Vocational Pathways (FSK20113) will support your vocational preparation and provide an emphasis in preparing for trade work. This training provides a pathway and training credit towards an apprenticeship in the civil construction, construction or engineering industries.

In a partnership with Skillset, TAFE NSW will conduct the training and assessment for the Skills4Trade program and will issue a statement of attainment for units of competency successfully completed.

### Work Preparation and Work Placement:

Participants will be provided work preparation training and up to five days negotiated work experience. This work experience will be offered to students who successfully complete training and demonstrate commitment through a strong attendance.

***This course runs 2 – 3 days per week from the 21<sup>st</sup> February to 30<sup>th</sup> May***  
***The final timetable, including Graduation date will be provided at Induction.***

<b>Certificate II Vocational Pathways:</b>	15 days (including work preparation)
<b>Civil Construction:</b>	5 days
<b>Construction:</b>	9 days
<b>Engineering:</b>	12 days
<b>Time:</b>	8.30 am – 4:30 pm – for all days EXCEPT Induction and Graduation
<b>Training Venue:</b>	Orange TAFE, Forest Road Campus (Civil), Anson St Campus (Construction) & March St Campus (Engineering)
<b>Bring:</b>	Pen, notebook, lunch (canteen facilities available)
<b>Wear:</b>	Cotton drill long sleeve shirt, long trousers and leather boots

Unit of Competency	Civil Construction
RIIMPO318E	
Conduct civil construction skid steer loader operations	This unit describes a participant's skills and knowledge required to conduct civil construction skid steer loader operations in Civil construction. This unit is appropriate for those working in operational roles. Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.
RIIMPO320E	
Conduct civil construction excavator operations	This unit describes a participant's skills and knowledge required to conduct civil construction excavator operations in Civil construction. This unit is appropriate for those working in operational roles. Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.
RIICCM206D	
Support plant operations	This unit describes a participant's skills and knowledge required to support plant operations in Civil construction. This unit is appropriate for those working in an assistant role. Licensing, legislative, regulatory and certification requirements that apply to this unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.

Unit of Competency	Engineering Trade
<b>MEM03003B</b>	
Perform sheet and plate assembly	The unit covers assembling prefabricated/formed components using a range of joining techniques
<b>MEM05013C</b>	
Perform manual production welding	This unit covers performing tacking or production welding, including spot welding using a range of methods and metallic and non-metallic materials in a production environment
<b>MEM18001C</b>	
Use hand tools	This unit covers using a range of hand tools for a variety of general engineering applications
<b>MEM18002B</b>	
Use power tools/hand held operations	This unit covers using a range of hand held power tools and fixed power tools for hand held operations for a variety of general engineering applications

Unit of Competency	Construction / Carpentry trade
<b>CPCCA2002B</b>	
Use Carpentry Tools and Equipment	This unit specifies the outcomes required to safely select and use carpentry tools and equipment. It includes hand tools, power tools, pneumatic tools, plant and equipment
<b>CPCCA2011A</b>	
Handle Carpentry Materials	This unit specifies the outcomes required to safely manually handle, store and apply environmental management principles associated with carpentry materials and components. It includes preparing material for mechanical handling
<b>CPCCM1013A</b>	
Plan and Organise Work	This unit specifies the outcomes required to plan and organise individual and group work activities on a construction site. The unit includes identifying task requirements, planning steps and organising work

FSK20113	Units
Certificate II in Skills for Work and Vocational Pathways	<p>This qualification is designed for individuals who require further foundation skills development to prepare for workforce entry or vocational training pathways. It is suitable for individuals who require:</p> <ul style="list-style-type: none"> <li>• a pathway to employment or vocational training</li> <li>• reading, writing, numeracy, oral communication and learning skills at Australian Core Skills Framework (ACSF) Level 3</li> <li>• entry level digital literacy and employability skills</li> <li>• a vocational training and employment plan.</li> </ul> <p>Core units which will be delivered are:</p> <p>FSKDIG03 Use digital technology for routine workplace tasks</p> <p>FSKLRG09 Use strategies to respond to routine workplace problems</p> <p>FSKLRG11 Use routine strategies for work-related learning</p> <p>FSKNUM14 Calculate with whole numbers and familiar fractions, decimals and percentages for work</p> <p>FSKNUM15 Estimate, measure and calculate routine metric measurements for work</p> <p>FSKOCM07 Interact effectively with others at work</p> <p>FSKRDG10 Read and respond to routine workplace information</p> <p>FSKWTG09 Write routine workplace texts</p> <p>Plus six elective units, <b>four of which will be drawn from the vocational delivery listed above</b>. Additional elective units will be:</p> <ul style="list-style-type: none"> <li>• FSKOCM03 Participate in simple spoken interactions at work</li> <li>• FSKLRG10 Use routine strategies for career planning</li> </ul>
