

Job interviews help employers figure out if you're a good fit for the job. Preparing for an interview can be nerve-wracking, but by following these pre-interview tips, you can feel confident in your self and get ready to impress.

- 01** Research the company beforehand to understand what they're all about.
- 02** Practise answering questions with a trusted adult or friend. Be sure to tailor your responses to show how you fit.
- 03** Dress professionally and look neat to make a good impression.
- 04** Find out where the interview is and plan how to get there.
- 05** Arrive on time, but not too early 10 mins is great.
- 06** Tell your references you're interviewing so they're prepared if contacted.
- 07** Prepare a list of insightful questions to demonstrate your interest and engagement.
- 08** Bring extra copies of your resume, along with a notepad and pen for notes.
